

How to register for the CSCC Forum on Ten-Tenths

1. *You'll have to register for Ten-Tenths as normal, if you are not already registered, and once you have done so you can go to their "My CP" and then under "Networking" there is a "GroupMembership" where you can send a join request.*
2. *When you send your "Join Request" please give the following information:
Correct name and Status in the club (eg Tin Top Racer Toyota Carina # 48)*
3. *This link should also take you straight there:*
<http://www.ten-tenths.com/forum/profile.php?do=editusergroups>
4. *Once you register you will also have the ability to join in on any of the 10-Tenths public forums should you so wish. I hope that's clear! If there are any issues please contact Andy Yeomans*
