Exciting times at the **CSCC Modern Classics series!**

SuperPro is absolutely loving the incredible lineup of cars and the fantastic support from our community each race weekend.

We have some news: we're undergoing a rebrand! The last of the current stickers on your cars will still be valid, but if you want to sport the latest versions, they'll be available soon.

SuperPro
WE'VE REBRANDED. BUT WE'RE STILL ENGINEERED TO OUTPERFORM.

CONTROL ARMS
SuperPro's complete control arm solutions are a favorite of Drivers and workshops. Our arms offer the best polyurethane bushings on the market with OEM quality arms, pre-assembled for quicker and easier installation whether tackling this in your garage or turning over customer vehicles and freeing the lift for the next project.
Factory fit, lifetime durability and a maintenance-free solution deliver value across the board.

SWAY BARS
Requested by customers years ago as a natural extension of SuperPro's suspension range, our catalog now sports sports car upgrades, EV handling kits, and a number of solutions for truck and SUV owners who want enhanced road manners and low/mid capability and confidence.
Factory fit, a hugely durable multi-layer finish, and lifetime bushings mean these bars are ready to provide a lifetime of driving enhancement.

ALIGNMENT KITS
Known around the world for our bushing kits where our unique designs and materials allow for an unmatched range of alignment solutions we continue to grow our broader range of alignment kits to allow customers to dial in their drive no matter the vehicle or how it is used.
From improved tire wear, to road manners and handling balance - SuperPro alignment solutions allow you to get the most out of your vehicle.
