# 2026 Winners Penalties

**Updated 14/10/2026**

Drivers/Cars highlighted in Yellow, are entered at Castle Combe - 17th October 2026

Where applicable, winners' penalties will be served in the first race. The winner of the first race, will serve their penalty in the second race.

**A 20 second, timed pit-stop penalty for the overall winner**, applies at the next UK series race entered. If the same driver/s or car win again, each time, the penalty doubles, until such time as they start a race but do not win. Each time they do not win, the penalty is reduced in the same increments as it was applied, until it is removed. S60's penalties are served in the penalty box either before or after the mandatory pit stop, depending on the circuit. All other series, the winner's penalty time is added to and served at the same time and location as the mandatory pitstop.

The overall class winning cars from Class R53 and R56 in the Ramair BMW Championship will be required to add 20kg of success ballast. The overall race winning cars from the Alpha Lexis Law Firm Jaguar Championship will be required to add 25kg of success ballast. For both of these Championships, the success ballast is to be carried at both championship races of the next CSCC race meeting they enter. (e.g. If two different cars win each race at the first meeting, then these cars will carry a weight penalty at their next race meeting entered). The success ballast is carried in addition to the weight that the car was at post-race and not the cars required minimum base weight.
