Reporting

Reports should be called in, as usual, using the radios as provided, but still make out a written report if required later. An official may come to you and take a photograph of the form. Flag and light signals need to be displayed in the usual manner. Radio a report through after the session, although if it is likely to be a long message, an emailed report is preferable. As a last resort you may call the Clerks on 07305 041990.

Unless you are appointed as a Track Limits Observer you will not be appointed as a Judge of Fact. Please report as "Car ran wide and continued". (If you are not sure about the car gaining time, please report it as running wide).

Code 60

Code 60 is in operation in all sessions, as is the safety car. We will not use live snatch.

Catering

All marshals will be given a £10 food/ drink voucher which can be redeemed in the Anglesey Cafe. Please note these vouchers do not have a monetary value and change won't be given.

Please also ensure you bring enough provisions with you should you require additional refreshments whilst on post. The Saturday is a longer day, with two scheduled breaks.

If you can no longer make this event, please let us know as early as possible via the CSCC email jo@classicsportscarclub.co.uk or call 01225 810655.
