As a gesture of thanks from CSCC and its drivers, each marshal may receive £10 cash per day to help with expenses. This can be collected at Marshal's check-in.

New for 2026: To satisfy HMRC, please can we ask you to think in advance about how miles you have travelled, to get to (and from) the circuit, as you will be asked this question at sign on. It only needs to be approximate.

BACK-TO-BACK COMPETITORS – We will have some Competitors doing either Back-to-Back Qualifying or Race's. If we cannot see the car refuelling or change tyres near assembly, we will not wait. CSCC will provide assembly and Clerks with a list of Back-to-Backs.

REPORTING - Reports should be called in, as usual, using the radios as provided, but still make out a written report if required later. Flag and light signals need to be displayed in the usual manner. Radio a report through after the session, although if it is likely to be a long message, an emailed report is preferable, to info@classicsportscarclub.co.uk

Unless you are appointed as a Track Limits Observer you will not be appointed as a 'Judge of Fact' but please report track limits breaches in any case. Please report as "Car exceeded track limits". In cases where the driver had a legitimate reason to leave the tarmac and gained no advantage, please report as "Car ran wide and continued". At times where radio traffic is busy it can be useful to note the time of a track limits breach.

Stay safe.
