

2024 Verum Builders Open Series Regulations

The CSCC Verum Builders Open Series is designed for all cars, with the exception of single-seater racing cars and sports racing cars. Lotus/Caterham Seven type cars are permitted. Any MSUK list 1A/B/C tyre.

Nature of Races

Typically 2 x 20 minute, non pit-stop races, with a 20 minute qualifying session held on the same day. Qualifying will usually be scheduled to be first session on the first day of the race meeting. Occasionally the format might change, for example when racing overseas.

Entries

Entries may be either single drivers, two drivers sharing a single car (one driver in a race each) or a two-car team. Register the car for the 2024 season for £99 (each driver joins the club as a member for £49 for 12 months) and then enter individual rounds when they open, (around 8 to 10 weeks before the event). Your £99 Open Series registration fee includes registration to any other CSCC series that this car is eligible for, free of charge. If you wish to register a second car for any eligible series, it is £50.

Members of an invited Motorsport UK club who have entered a CSCC race meeting are automatically registered for the CSCC Verum Builders Open Series at that round and do not need to be a member of the CSCC.

Pre-1988, 8-valve cars originally fitted with forced-induction will have a cc weighting of x1.4, all other petrol forced-induction cars will have a cc weighting of x1.7. Overseas rounds

In order to race with the CSCC overseas, drivers are required to race with us once beforehand this year. Cars could be subject to additional safety requirements.

Pit Stops and Starts

Races originally planned for 20 minutes do not involve a pit-stop, but they are required when two drivers share a qualifying session, or during 30 or 40 minute, pit stop races (typically when racing abroad), unless otherwise specified. Where pit stops during a race apply, the Verum Builders Open Series employs a timed, 1-minute 30 seconds stop, from pit-in to pit-out.

Full-pit stop regulations are explained here: <https://www.classicsportscarclub.co.uk/regulations>

All cars must have a method of determining that they are travelling at 60 kph. Starts will be rolling or standing, as set out within each meeting's supplementary regulations.

Winners' Penalties

There are no winners' penalties in the CSCC Verum Builders Open Series.

CSCC Series Infringements

Each CSCC penalty, issued by the MSUK Clerks, should be considered a starting point; consideration will be given to any aggravating or mitigating factors. The MSUK Clerks may issue any combination of time penalty, 1 or more lap penalty, stop-go or drive-through, in addition to C2.1.1.

A driver disqualification or exclusion in the case of a 2 driver/2 car team, will result in the loss of that drivers laps only, with no award for the team. The purpose of these Series penalties is to help enforce safety and sporting fairness.
