2. Tick the boxes for the races you wish to enter. If you are entering more than one race at the same meeting, please contact the office first so that we can apply any eligible discount you may be entitled to.

PERMANENTLY adding a 2nd driver/Sponsor for the 2021 season.

If your 2nd driver/sponsor remain the same for the 2021 season, you can add them to your account as a default. This eliminates the need to add them separately to each race.

***Please note that if any of the races you enter appear under 'Available Open Races' this means they are combined grids of more than one series and your defaults will **not** be automatically added. You **must** add your 2nd driver or sponsor separately to that race. ***

1. Click on the 'Championships' tab from the Menu.
2. Select the series you wish to add them to by clicking on the arrows on the right hand side. If you scroll down you will see sections to add your 2nd driver and/or sponsor.
3. Click 'Save' at the bottom of the page to update these changes.

If you find your 2nd driver cannot make a round, you MUST remove them for that race.

If you have any problems using the online system, please contact the office on 01225 810655
