<b>GARAGE 39 RESTAURANT</b>	

PADDOCK

Blue garages are allocated to drivers in the **Modern Endurance** race.

Yellow garages are allocated to drivers in the **Classic Endurance** race.

Each driver will select an available garage on arrival, we are not assigning names.

Each garage must accommodate 2 cars. A maximum of 25 litres of fuel may be stored in each numbered garage. Any greater amount may be stored safely elsewhere, for example in the paddock, trailer, tow vehicle etc.
