The CSCC Gold Arts Magnificent Sevens race series is for cars based on the Lotus Seven Series 3 design, including Caterham, Lotus, Westfield, MK, Tiger, Dax, Stuart Taylor, Raw, Locost or similar-type cars.

- 2024 sees a return to a 40 minute pit-stop race, unique in the 7's racing world. A 30-minute qualifying session on the same day.
- Entries may be for either single drivers, two drivers sharing a single car or a two-car team.
- Register the car for the 2024 season for £99 (each driver joins the club as a member for £49 for 12 months). Your £99 Gold Arts Magnificent Sevens registration fee includes registration to the Verum Builders Open Series, which your Seven is now eligible for in 2024. If you wish to register a second car for any eligible series, it is £50. Enter individual rounds when they open, around 8 to 10 weeks before the event.
- Separate Overall winners for Groups 1 and 2, with pit-stop time penalty, in order to reduce the likelihood of the same cars/drivers dominating at the next round.

The silhouette must remain as original Lotus Seven Series 3 design from all angles (and with CSCC approval). Aerodynamic devices such as wings, splitters, nose cones with integral splitters or diffusers are not permitted, except for a pair of small winglets/whiskers (similar to the CSR type), which may be fitted on either side of the nose cone. It is highly recommended that an FIA full roll cage be fitted. Windscreens or aeroscreens must be used. Lights where fitted must operate. Working stop-lights and FIA rain-light must be fitted. All competitors must run 6-point harnesses that conforms to Motorsport UK regulations (no 4 point- harnesses) and it is highly recommended that competitors wear wrist/arm restraints. Onboard cameras are highly recommended. All cars must have a method of determining that they are travelling at 60 kph.

All cars must display the correct stickers, these will need to be collected by the driver/team from the CSCC at the circuit and applied to the car before the race. Failure to display these decals when issued may result in the car failing at scrutineering or the loss of an award. A Sticker Guide is available on the series webpage: <https://www.classicsportscarclub.co.uk/magnificent-sevens>

## Pit Stop and Starts

A mandatory, timed, 1 minute 30 second stop, from pit in to pit out, must be made during the race, unless indicated otherwise in Supplementary Regulations. Full regulations are explained here: <https://www.classicsportscarclub.co.uk/regulations>

All cars must have a method of determining that they are travelling at 60 kph.

Starts will be a mixture of standing and rolling, as set out within each meeting's Supplementary Regulations.

## Tyres

All classes may run on any MSUK list 1A/B/C tyre, with the exception of the following tyres, which are no longer permitted within the Gold Arts Magnificent Sevens Series: Avon ZZS RT-7, ZZR Extremes and Kumho V70A Supersoft (K12) and Soft (K22) compounds.

Note that these tyres are permitted on a Seven running with the Verum Builders Open Series.

## Entries

Entries may be either one car with one or two drivers or a two-car team. Each driver must be a member of the Classic Sports Car Club and each car must be registered for the series.

## Overseas rounds

In order to race with the CSCC at an overseas round, drivers are required to race with us once beforehand this season. Overseas rounds are not subject to winners' penalties. Overseas rounds require a pair of forward facing, bright, white, lights and cars could be subject to additional safety requirements.

## 2 driver entries

Whilst most entries are typically one driver, you may enter as a 2 driver or 2 car team. Both cars/drivers must complete a minimum of 3 laps in qualifying, with only one car on circuit at any time.

## Winners Penalties

A 10 second, timed pit-stop penalty for the overall winner, applies at the next UK series race started. If the same driver/s or car win again, each time, the penalty doubles, until such time as they start a race but do not win. Each time they do not win, the penalty is reduced in the same increments as it was applied, until it is removed. The overall winner's penalty time is added to and served at the same time and location as the mandatory pit-stop.

## Awards

Awards are given at each race: - Overall Winner of Groups 1 and 2, 1<sup>st</sup> in Class, 2<sup>nd</sup> in Class with 4 starters and 3<sup>rd</sup> in Class with 7 starters. Award winners receive a single award per entry, with an optional 2nd driver award available to purchase after each event, using the form on the CSCC website.
