Pit Stop

Races originally planned for 15 or 20 minutes do not involve a pit-stop. 30 or 40 minute races do have a mandatory pit stop during the race, unless otherwise specified. Where pit stops during a race apply, the Gold Arts Magnificent Sevens Series lasts 1-minute 30 seconds, timed from pit-in to pit-out. Full pit stop regulations are explained here: <https://www.classicsportscarclub.co.uk/regulations>

All cars must have a method of determining that they are travelling at 60 kph.

Winners penalty

Overall Group 1 and 2 winners will incur a *5-place grid penalty onto their next main (first) race qualifying position, unless event supplementary regulations state otherwise. Each consecutive win adds a further 5-place grid penalty until such time as they don't win their group overall, when their penalty record gets wiped clean. If they should qualify in such a position where the full five places can't be served, they will start from the back of the grid. There is no winner's penalty to be served or accrued in the second, optional race. *e.g 1st to 6th, or 12th to 17th. A winners penalty list will be updated after each race meeting and published on the CSCC regulations web page.
