

2024 Winners Penalties

Updated 22/04/24

Drivers highlighted in Yellow are entered at Oulton Park on 27th April

A **20 second, timed pit-stop penalty for the overall winner**, applies at the next UK series race entered. If the same driver/s or car win again, each time, the penalty doubles, until such time as they start a race but do not win. Each time they do not win, the penalty is reduced in the same increments as it was applied, until it is removed. The overall winner's penalty time is added to and served at the same time and location as the mandatory pit

All outright race-winning cars and drivers will have a **30-second timed pit-lane penalty**. Each subsequent win will incur an extra 30-second penalty. These penalties will remain throughout the season. The overall winner's penalty time is added to and served at the same time and location as the mandatory pitstop.

The RX-8 Trophy Class winner will incur a **10 second winners penalty** each time a car/driver wins the RX-8 Trophy Class. This is to be served at the next race that the car/driver enters in the RX-8 Trophy class. The winners penalty time is added to and served at the same time and location as the mandatory pit-stop. The cumulative penalty will be removed once the car/driver finishes a race without winning the class (if a car/driver wins consecutive races the 10 second penalty becomes 20 seconds and so on, until the car/driver fails to win).
