**BACK-TO-BACK COMPETITORS** – We will have some Competitors doing either Back-to-Back Qualifying or Race's. If we cannot see the car refuelling or change tyres near assembly, we will not wait. CSCC will provide assembly and Clerks with a list of Back-to-Backs.

**REPORTING** - Reports should be called in, as usual, using the radios as provided, but still make out a written report if required later. Flag and light signals need to be displayed in the usual manner. Radio a report through after the session, although if it is likely to be a long message, an emailed report is preferable, to [info@classicsportscarclub.co.uk](mailto:info@classicsportscarclub.co.uk)

Unless you are appointed as a Track Limits Observer you will not be appointed as a 'Judge of Fact' but please report track limits breaches in any case. Please report as "Car ..... exceeded track limits". In cases where the driver had a legitimate reason to leave the tarmac and gained no advantage, please report as "Car ..... ran wide and continued". At times where radio traffic is busy it can be useful to note the time of a track limits breach. Track limits infringements will reset at the one hour mark or each endurance event.

**NON-ATTENDANCE** - If you can no longer make this event, please let us know via email [admin@doningtonsteam.org.uk](mailto:admin@doningtonsteam.org.uk) or [jo@classicsportscarclub.co.uk](mailto:jo@classicsportscarclub.co.uk) or call Mel on 07795275211/ CSCC on 01225 810655

Stay safe.
