Anglesey, Welsh Night & Day – 25th & 26th September 2021

On behalf of the Club I would like to thank you for supporting us for this weekend, without the orange army we would not be racing, so much appreciated!

Anglesey is our penultimate event and will take place on the longest, 2.1 mile 'International' circuit. With the breathtaking scenery and the circuit making the most of the undulating landscape, great grids and a mix of cars promises to be a memorable weekend.

Night races promote a completely different atmosphere with a definite buzz of excitement. This is the first time we enjoy the unique opportunity to experience night racing at Anglesey, should be good fun.

As a gesture of thanks from the CSCC each marshal will be given £10 per day and Marshals will also enjoy a complimentary main course and soft drink from the circuit restaurant on Saturday evening, before the night races. This and meal vouchers can be collected at check in. Racing is timetabled to finish by mid-afternoon on Sunday, so everyone can get home in good time.

Please make sure you have signed on with us via the online booking system as soon as possible here: <https://cscs.prosolvehosting.co.uk:485/login>

Saturday

09:15, outside Cafe or Scrut. Bay if wet.
09:30
09:45
10:00

If you arrive after check in has finished, please report to (Race Administration) where you can check in and be allocated a duty and post for the day.

Reports should be called in, as usual, using the radios as provided, but still make out a written report if required later. It may be electronically sent to Race control race@classicsportscarclub.co.uk or an official may come to you and take a Photograph of the form. Flag and light signals need to be displayed in the usual manner.

Unless you are appointed as a Track Limits Observer you will not be appointed as a Judge of Fact. Please report as "Car ran wide and continued". (If you are not sure about the car gaining time, please report it as running wide).

Camping is available at the circuit – your event ticket and car pass will allow you admission to the circuit campsite. The gates are not locked overnight prior to, or during events, but there will be security personnel on the gate for spectator events. To get to the circuit from the UK mainland, cross the Britannia Bridge into Anglesey. Continue West along the A55 Dual Carriageway for approximately 12 miles. Exit Junction 5 onto the A4080, signposted

Please remember to bring plenty of food and drinks and clothing for every eventuality. Hopefully sun cream! For the night race on Saturday, if you have one, please bring along a high-vis jacket and a torch. Stay safe.
