DONINGTON PARK - WINTER TRACKDAYS 15TH/16TH FEBRUARY 2022

The Classic Sports Car Club is running two uncompetitive, relaxed track days, on the Donington National circuit. Tuesday 15th will be an unsilenced day with no noise restrictions and Wednesday 16th will run to a drive-by noise limit of 98dB.

If you are new to the club and have a suitable car to potentially race with the CSCC in 2022 this could be for you, come and meet us and blow away the winter cobwebs. This is also a chance to take out passengers, or allow a team or family member to drive your car.

- Tuesday 15th - UNSILENCED will be priced at £160
- Wednesday 16th - 98dB will be priced at £120
- Suitably prepared road or race cars with sessions for Classic Cars, Modern Cars and Novices
- 4 x 30 minute sessions (including clear up time), with the possibility of an Open Pit Lane session at days end
- Optional Garage, priced at £50 each per day (you may choose to share with an additional car)
- No CSCC membership required for drivers or passengers
- No charge for additional drivers or passengers
- No race licence required, but a driver requires a valid road driving licence
- Helpful advice from series representatives, sponsors, scrutineers and the office team
- Non-competitive, no timing, overtaking is strictly controlled. Alternatively, why not consider the CSCC Test Day?

Entries will be selected based on availability and suitability. Available to book now on the CSCC website. We will confirm entries by 7th January 2022.

SNETTERTON 300 - TEST DAY

The traditional start to the Classic Sports Car Club's racing season is it's Snetterton 300 Test Day, on **Wednesday 23rd March 2022**.

- 30 Minute sessions (including clear-up time)
- Open to CSCC Members and Non-members
- Price for Members is just £145 for a full day
- Separate sessions for slower, intermediate and faster cars
- Held under racing conditions, therefore timing permitted
- For 2022 MSUK race-licence holders

Available to book in January on the CSCC website.
