**Reporting** - Reports should be called in, as usual, using the radios as provided, but still make out a written report if required later. It may be electronically sent to Race Control [race@classicsportscarclub.co.uk](mailto:race@classicsportscarclub.co.uk) or an official may come to you and take a Photograph of the form. Flag and light signals need to be displayed in the usual manner. Radio a report through after the session, although if it is likely to be a long message, an emailed report is preferable. As a last resort you may call the Clerks on 07305 041990.

Unless you are appointed as a Track Limits Observer you will not be appointed as a 'Judge of Fact' but please report track limits breaches in any case. Please report as "Car ..... ran wide and continued". (If you are not sure about the car gaining time, please report it as running wide).

Code 60 is in operation in all sessions, as is the safety car.

**Assembly Area** - As you can see from the provisional entry list, the CSCC has some large grids, possibly with reserves. Be aware of this and please count cars so as to stay within the maximum circuit capacity of 46 cars in qualifying and 38 in a race.

The MG Trophy/ Berkshire Jaguars will have a split grid.

All starts are Standing starts.

**Pit Stops** - All CSCC races feature a pit stop, regulations can be found here:

The Morgan Challenge sprint races don't have pit stops.

**Camping** - Camping is on the inside of Lodge Corner and is available from midday Friday. No camping is available on Saturday evening. To access the campsite, take first left after entry booths at main entrance.
