

Dear CSCC Track Day Entrant,

Our Donington Park Track Day is now only a week away.  
Online check-in is now available on the MSV portal here:

<https://donington-v1.msv.com/CheckIn/948e8254-acb3-49f0-9e06-2e7d61dc594b>

**The online check-in and safety briefing MUST be completed prior to arrival for the track day.**

Above is the link you need to use to check-in. Check-in can be done immediately please. The safety briefing will be available using this same link from 08:00 the day prior to the event. (Monday 19<sup>th</sup> February) Please forward this email onto any other participants you have booked including passengers. They will all need to click using the same link and complete the online form using their own email address.

On arrival, you will need to sign-on, showing your road driving licence (not race licence) and collect an attendee wristband. The team will need to check both check-in and briefing has been completed. (no briefing for passengers) They are unable to issue your attendee wristband for the day until you have done so.

#### **Essential information – PLEASE READ:**

- Overnight camping is not permitted at this circuit. This applies within or at the boundaries of the circuit. Venue gates are scheduled to open at 07:00. There is no access the day before, to drop off cars/trailers.
- Please find the Garage Plan attached and please only park behind your allocated garage.
- There is a fair use policy in place for the use of circuit electricity. This [Donington Park](#) link has further info.
- **Signing on is at 7.30am at Garage 39 side entrance reception desk.** Arriving later will delay sighting laps and lose us track time. **Passengers are to sign on after 9.30am.**
- **There will be a supplementary, mandatory verbal briefing with wristbands issued, for ALL drivers at 8:25 in the Pitlane Suite.** This is essential to attend and in addition to the online safety briefing.
- The compulsory sighting laps commence on circuit at **9:00am**. Please ensure you have made your way into the pit lane prior to this to avoid delays and lost track time.
- The circuit has an 'engines quiet' rule until 9am.
- Summary of requirements attached.
- Catering will be available. You're welcome to bring your own food and drink to the circuit.

#### Donington MSV Summary of requirements

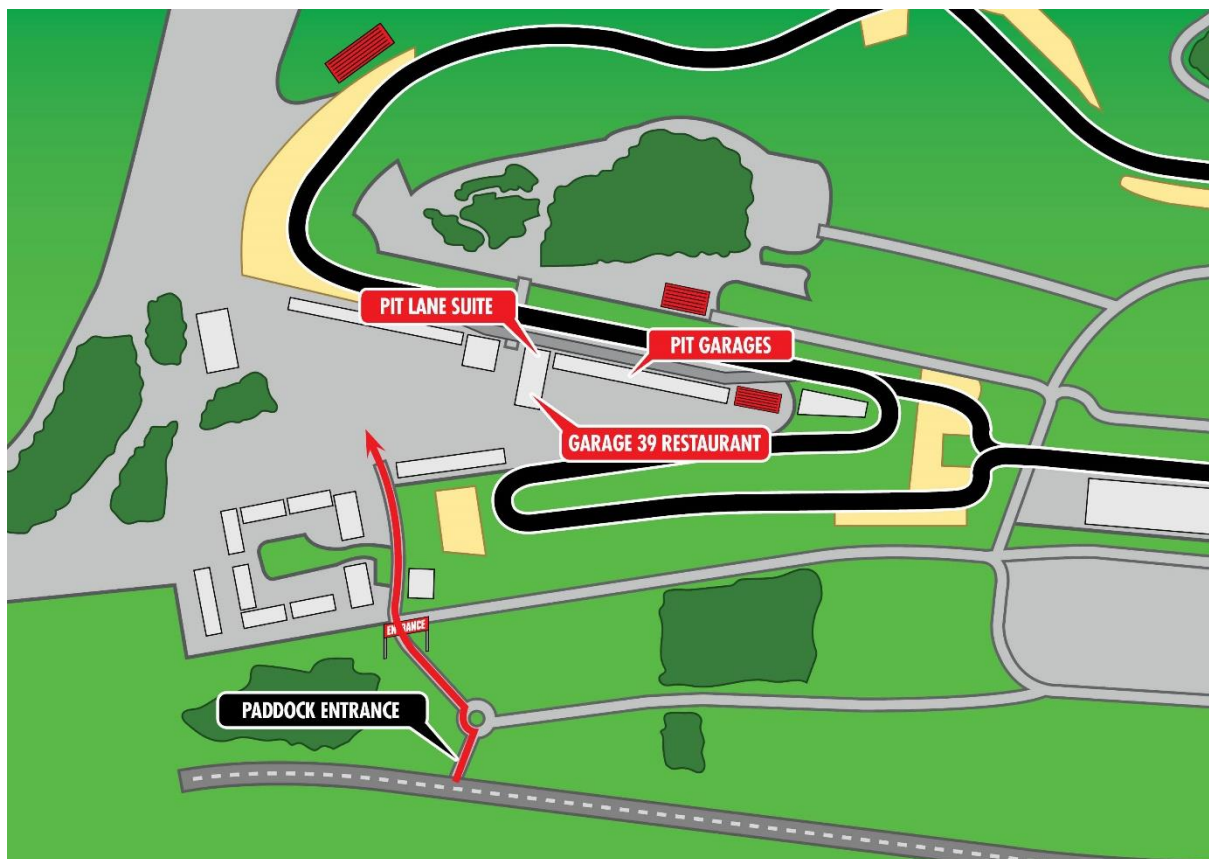

During your initial track day purchase you will have received an email booking confirmation with links to all the important info. Below is a brief summary of the essentials. At the bottom of the page is a link to the full terms and conditions;

- Please ensure you bring the physical copy of your suitable licence (we cannot accept a photo).
- Passengers must be aged 14 or over except Bedford which is 16 (minimum age to go anywhere in the venue at Bedford is 16). A maximum of one passenger per car on circuit.
- Children under 16 years of age are not permitted to be left alone at the venue (i.e. whilst the responsible adult is on track). A secondary guardian would be required in that instance.
- Lap timing is not permitted.
- Please ensure the car is checked over prior to going on circuit and fit for the purpose. Ensure your towing eye is fitted and all loose items removed from the car prior to sighting laps.
- Helmets must be worn (not off road style motocross helmets) that are designed for motorsport use. Drivers of convertible cars must wear a full-face helmet with visor (even if the roof is up).
- All in-car cameras or other equipment must be safely and securely attached, using mounting systems specifically designed for that purpose. Professional 'designed specifically for the purpose' suction mounts/adhesive mounts need a secondary secure fixing such as a tether. The event team do reserve the right to insist on adjustments or refuse use of the equipment if they deem it unsuitable/unsafe. Hand held or helmet cams are not permitted.
- Please ensure arms and legs are fully covered.

- Participants must listen and adhere to all briefings and safety instructions throughout the track day, including flags, signals or warnings from marshals or any other representative of MSV. The decisions of MSV are final. Timing is not permitted.
  - Any kind of driving which is considered by MSV to be a nuisance or dangerous is not permitted on circuit or anywhere on site. Outer track limits must be adhered to.
  - No paddock bikes or animals may be brought onto the premises, except registered guide dogs. Our full terms and conditions can be viewed [here](#). More useful info can be found [here](#). We hope you have a great time on circuit.
- MSVT

A map of important areas features below for your reference along with the circuit address.

Donington Park, Melbourne Road, Castle Donington, DE74 2BN  
Tel: 01332 810048

David Smitheram and Hugo Holder look forward to greeting you there.
