

# Donington National CSCC Test Day

## Wednesday 25th February 2026

- CSCC membership is required by the primary driver at the time the test day takes place.
- Separate groups for Slower, Medium and Faster-paced cars/drivers.
- We anticipate that each group will have 4 x 30-minute sessions (to include clear up time), with a planned hour-long Open Pit Lane session at the end of the day, weather and numbers permitting.
- A second driver may be added, at no extra cost (same car, same session). They needn't be a member.
- Garages can be booked for an additional fee, subject to availability (first-come, first-served).
- All drivers must hold a 2026 Motorsport UK Race Licence, to be shown on the day.
- Noise limit: 98dB drive by. No static test or limit.
- No credit or refund after Sunday 15th February, unless we have a reserve to fill your place.
