

2024 Advantage Motorsport Future Classics Series Regulations

The CSCC Advantage Motorsport Future Classics series is for Sports, Saloons and GT cars (with doors) from the 1970's and 1980s. 1970s, factory and production based Group 1, 2, 4 and Factory Rally Cars are welcomed.

- Typically a 40-minute race with a mandatory pit stop and a 30-minute qualifying session on the same day, with occasional sprint races.
- Overall winner's penalty helps reduce the likelihood of the same car dominating at every round.
- Four simple eligibility rules: – Tyres, Induction type, Silhouette and Original engine type
- Register the car for the 2024 season for £99 (each driver joins the Club as a member for £49 for 12 months) and then enter individual rounds when they open, (around 8 to 10 weeks before the event). Your £99 Advantage Motorsport Future Classics registration fee includes registration to any other CSCC series/championship that this car is eligible for, free of charge. If you wish to register a second car for any eligible series, it is £50.
- Entries may be for either single drivers, two drivers sharing a single car or a two-car team.

Class structure:

Class FA - over 3300cc

Class FB - 2501cc to 3300cc

Class FC - 2001cc to 2500cc

Class FD - 1601cc to 2000cc

Class FE - E30 320i (M20B20 engine)

Class FF - Upto 1600cc

Bodywork – 1970s and 1980s Production Cars

The original silhouette/appearance is to be retained from all angles. A few small, neat, flush holes or apertures may be added in the front bonnet only (no gurneys, louvers or shark gills above the height of the hole/aperture). Original production aerodynamics as defined for the UK market only are allowed. Non-production and limited production splitters, dive planes and wings are not allowed. Original working headlights or headlight covers and bright, white lights. Onboard cameras are highly recommended. All cars must display the correct stickers, these will need to be collected from the CSCC at the circuit and applied to the car before the race. Failure to display these decals when issued may result in the car failing at scrutineering or the loss of an award. A Sticker Guide is available on the series webpage: <https://www.classicsportscarclub.co.uk/future-classics>

Bodywork - 1970s Group 1, 2, 4 and Rally Cars

Acknowledged factory and dealer fit body modifications are permitted, for example arches and air dams fitted to works Rally Escorts, Lotus Sunbeams and Vauxhall Chevette's. Group 1, 2 and 4 factory modified race cars such as Porsche 911 RSR, BMW 3.0L CSL and M1, Alfa Romeo GT & GTV6, Fiat 131 Abarth, Opel Ascona and Manta, Ford Escort and Capri. Rules regarding front lights, wipers and stickers apply as above. Onboard cameras are highly recommended. Enquiries on eligibility are welcomed before registration.

Engine and Transmission

Original engine and gearbox type to be retained, internals are free, but no sequential gearboxes under any circumstances. "Original engine and gearbox type" means the same engine (block and head) and gearbox as was available from the factory in that body shape in period. Pre-1988, 8- valve cars originally fitted with forced induction will have a cc weighting of 1.4, all other forced induction cars will have a cc weighting of 1.7, as per the Motorsport UK rule book. Normally-aspirated Rotary cars will have a cc weighting of x1.7, whilst turbo Rotary cars will have a cc weighting of x2.5.

Examples: A 2300cc 8v turbo 1980s car x 1.4 = 3220cc = class B80. A 2300cc 16v turbo 1980s car x 1.7 = 3910cc = class A80

Tyres

Cars must run on Motorsport UK list 1A/1B/1C treaded tyres.

Overseas rounds

In order to race with the CSCC at an overseas round, drivers are required to race with us twice beforehand this season. Overseas rounds are not subject to winners' penalties. Cars could be subject to additional safety requirements.

Pit Stops and Starts

A mandatory, timed 1 minute 30 second stop, from pit in to pit out, must take place during the race, unless indicated otherwise in supplementary regulations. Full pit stop regulations are explained here: <https://www.classicsportscarclub.co.uk/regulations>

All cars must have a method of determining that they are travelling at 60 kph. Starts will be a mixture of standing and rolling, as set out within each meeting's supplementary regulations.

Winner's Penalties

A 20 second, timed pit-stop penalty for the overall winner, applies at the next UK series race entered. If the same driver/s or car win again, each time, the penalty doubles, until such time as they start a race but do not win. Each time they do not win, the penalty is reduced in the same increments as it was applied, until it is removed. The overall winner's penalty time is added to and served at the same time and location as the mandatory pit-stop. A winners penalty list will be updated after each race meeting and published on the CSCC regulations web page.

Entries

Entries may be either one car with one or two drivers or a two-car team. Each driver must be a member of the Classic Sports Car Club and all cars must be registered.

Additional Regulations

These series regulations are to be applied in conjunction with Motorsport UK safety regulations contained within the 2024 Yearbook (Blue Book).

2024 Advantage Motorsport Future Classics Series Regulations

Awards

Awards are given at each round: - Overall Winner, 1st in Class, 2nd in Class with 4 starters and 3rd in Class with 7 starters. Award winners receive a single award per entry, with an optional 2nd driver award available to purchase after each event, using the form on the CSCC website.

CSCC Series Infringements

Each CSCC penalty, issued by the MSUK Clerks, should be considered a starting point; consideration will be given to any aggravating or mitigating factors. It may be appropriate to either increase or decrease these penalties, such as if an unfair advantage has been gained. The MSUK Clerks may issue any combination of time penalty, 1 or more lap penalty, stop-go or drive-through, in addition to C2.1.1.

A driver disqualification or exclusion in the case of a 2 driver/2 car team, will result in the loss of that drivers laps only, with no award for the team. The purpose of these Series penalties is to help enforce safety and sporting fairness.

During qualifying, any of the below series infringements will result in a minimum of a loss of fastest lap.

*Minimum datum penalties during a race

Excess speed in pit lane	60 Seconds
Unsecured harness belts before coming to a stop	60 Seconds
Not switching off the engine for driver change (where relevant)	60 Seconds
Unsafe release or impeding a car during pit stop	30 Seconds
Incorrect/Short pit stop duration/Pitting outside pit window	30 Seconds + short stop duration
Not stopping for the mandatory pit stop	Disqualification from the race
Yellow Flag Penalty (In addition to MSUK Clerks Penalty)	30 Seconds
Excess speed under Code 60	20 Seconds + excess kph ² as seconds.

Other Infringements:

As per C2.1.6 and Q12.26. the Clerks may issue drive through and stop-go penalties, in addition to those within C2.1.1

Technical Rights of the CSCC

The CSCC have the right to overrule any of the above rules, including moving a car between classes and/or treat any applicant individually as seen fit, in order to help promote and to enhance the series, and to protect and respect the position of all existing competitors. The CSCC also reserves the right to re-classify any car entered in a meeting, which does not comply with the series technical regulations or is not prepared to an acceptable standard. The Club reserves the right to amend these regulations at any time in the year.
