CSCC Track Days - Final Instructions Donington Park National

DoningtonPark

15th & 16th February 2022 (issued 14/02/2022)

We emailed those attending either of our two track days last week, with sign-on links and further instructions. If you haven't received these please check your spam folder.

On the first page you will see we have issued an updated timetable.

With the help of the circuit we have secured an extra 15 minutes total track time for you, starting the day at 9am, rather than the previously issued timetable starting at 09:15. This gives each group 5 more minutes in their first session of the day (to include familiarisation laps).

By now those of you attending **Tuesday** track day should have signed on and listened to the mandatory briefing, using the following link: <https://donington-v1.msv.com/CheckIn/00023291-1505-4ebd-9976-fdb93abf12be>

Please do this before you receive you show us your driving licence (road, not race) and pick up a wrist band.

If you are attending **Wednesday's** track day you can sign on now and listen to your mandatory briefing from 8am tomorrow (Tuesday) morning, by clicking the link below.

<https://donington-v1.msv.com/CheckIn/1f640bf5-5259-4a5f-bf9a-4020c0dbdbc7>

Please ask your additional drivers/passengers to follow the relevant link above.

All drivers will have listened to the mandatory briefing before driving on track, but we would like to emphasise these points, for the sake of safety and paddock harmony:

- Only overtake on the left hand side.
- Only overtake on the straights, not in corners or braking zones.
- If a faster vehicle has come up behind you, make it obvious your moving over to let them pass, use your indicators if you have them.
- Don't get too close to other cars.
- No aggressive driving.
- If you see dangerous driving, or are unhappy with someone's conduct, please report this to a member of MSV (the CSCC are not running the operation of these days)

We will have race numbers and backgrounds to purchase, as well as free of charge series logos and sponsor stickers for collection from the Pit Lane Suite, near the Garage 39 restaurant. If we are not there, look out for us in the paddock.

Hugo will be available to take your calls from the office, whilst the rest of the team will look forward to welcoming you there in person, from 07:30 in the area next to Garage 39.
