SILVERSTONE SPECTACULAR RACE MEETING

Thank you so much for volunteering to Marshal at our live streamed Silverstone Spectacular race meeting. As always, we really do appreciate you giving up your valuable time to join us, we hope you enjoy the mix of more than 220 classic & modern cars entered so far.

As a gesture of thanks from CSCC and its drivers, each marshal will be given £10 to help with expenses. This can be collected at Marshals check in, along with a Code 60 flag. Silverstone will provide a breakfast bap and hot drink at sign on.

We are racing on the modern F1 GP layout, from the National paddock.

New for 2026: To satisfy HMRC, please can we ask you to think in advance about how miles you have travelled, to get to (and from) the circuit, as you will be asked this question at sign on. It only needs to be approximate.

The Ramair BMW Championship race is a 40 minute race with no pit-stop to be served. Where relevant, please can you help check that required team members wear hi vis in the pit lane/wall.

CSCC will provide you a short list of Back-to-Backs.

REPORTING - Reports should be called in, as usual, using the radios as provided, but still make out a written report if required later. Flag and light signals need to be displayed in the usual manner, with the exception of the circuit wide Code 60 lights, as above. Radio a report through after the session, although if it is likely to be a long message, an emailed report is preferable.

Unless you are appointed as a Track Limits Observer you will not be appointed as a 'Judge of Fact' but please report track limits breaches in any case. Please report as "Car ran wide and continued". (If you are not sure about the car gaining time, please report it as running wide).
